

Europlants continues Awards support

The UK agents for one of Europe's largest producers of container-grown specimen plants has confirmed its support of the 1998 Nurseryman & Garden Centre Awards.

Europlants, based in Hatfield, Hertfordshire, supplies the landscape and garden centre industry with nursery stock from Italian producers Vannucci Piante.

This year the company will also provide all the plants for the staging of the gala Nurseryman & Garden Centre Awards evening.

Renato Canale, managing director of Europlants UK, said: "The garden centre market has become important to us and we are delighted to support the retail industry through our involvement with the N&GC Awards."
